**If you require anything which is not on this list, please let us know and we will endeavour to help**

Chirpy Cottage is a small country kitchen in Martock, near Yeovil, Somerset and we produce free-from food using the freshest ingredients and locally where possible.

We make dairy-free, gluten-free and vegan/vegetarian foods, but specialise in **gluten-free pastry products**.

We have created a pastry which works wonderfully, rolls like traditional pastry and tastes great. Many customers have commented that it is the best pastry they have ever tasted!

Realising that there is very little available for people to simply buy 'on the go'; we provide pies, pasties, tarts, quiches and cakes to do just that. We also make individual ready meals which can be eaten straight away or frozen and used as required.  
We even sell our pastry!

We cater for events where an element of gluten-free is required e.g. christenings, birthdays, weddings and funerals, so if you need free-from food, please contact us.
